<p>Are there any barriers to making progress with your plan, (such as active planning applications, conflicting local views over how the area should be developed, lack of support from the LPA etc.)?</p>	<p>Your answer to this question will help us to understand the level of support you might need.</p>	<p><i>The major obstacle so far has been the discovery of Bechstein Bats, an endangered species, in the Trowbridge area. Our NDP will need to be fully compliant with our LPA's Bat Mitigation Strategy, meaning proposed density of housing on any one site will be significantly reduced. So it is likely that we will need 2 or 3 sites reflecting small to medium sized housing numbers in order to be compliant. There may also be objections to the development of 180 new homes at Southwick Court.</i></p>

Grant Support

All neighbourhood groups can apply for grants of up to £9000 per neighbourhood planning area, less any funding from grant(s) used after 17 April 2015.

NB: Applications must be between £1,000 and £9,000 per application. This means that if you are deemed eligible for Additional Grant or Affordable Housing for Sale Grant, you cannot apply for more than £9,000 at a time.

Grants can be used to support groups with the production of the NDP/NDO. The earliest start date for grants is 4 weeks after you submit your grant application. If your application is successful, you will then have until the end of the financial year (31 March 2020) to spend this. We would like to encourage you to consider your needs for the period up to 31 March, so that you do not need to make multiple applications.

Eligibility for the additional grant is dependent upon meeting the relevant criteria. The inclusion of the additional grant in your application form is not confirmation that you have met these criteria and this will be checked as part of the grant assessment.

Are you applying for a grant? - Yes - No		<i>Picklist (choose only one option)</i>
Please tell us the start date of your grant activity	Under no circumstances can we fund activity that has happened in the past or prior to a grant being awarded. Therefore, this date should not be less than a month from the date of your application.	<i>Date 19/08/2019</i>
Please tell us the end date of the final activity that this grant will cover.	Please tell us when the activities funded by this grant will end. Please note that no activity can take place later than the end of the financial year (31st March 2020) in which you submitted your application. Any grant funding must be spent by the end of the financial year.	<i>Date 31/03/2020</i>
Budget Breakdown Section: In this next section of the form you will need to provide details of the estimated costs for the support you require. (i.e. how much grant you are applying for, why you need the support, length of time to be completed, and planned start date). Please apply under the right section. You will need to tell us the professional fees that you want to pay as part of your project. Please ensure that the total costs in this application do not exceed £9,000. Grant applications that are outside of this range will be automatically rejected.
