Having read the SNDP, there is no objection to the plan we can fund. To us, it is a very good Plan, which covers a lot of points that the villagers are concerned about. Southwick is a village and should remain one, as many villages are being lost to over development and are emerging with the towns.

If we are not careful, we will also lose the wild life from our countryside, which seems rather harsh on them, as they also need some where to live. We have come to the conclusion, that the plan has been put together very fairly, and we cannot see any problems to overcome.
