Dear Aaron and Hollie,

Please see below, very late response for site inclusion to the NDP.

All too late I know.

Do you want to respond or are you happy for me to take care of things?

Kind regards

Dear Parish Council,

I've recently been told to look at <http://southwickndp.uk> and read up this on going draft plan which I would like to updated on progress as it's not an easy site to read through in my view. I've noticed [REDACTED] Frome road adjoining neighbours has submitted a draft proposed scheme up to 28 new dwellings and wondered now if its too late to be added as you could build up to 5 dwellings off a private access which we have?

I've attached a land registry plan which shows are boundaries to are property

Regards
